OSSTF Anti-Harassment Statement

A member of OSSTF has the right to a workplace and union environment free from harassment and bullying.

Harassment and discrimination are not joking matters. They have a destructive effect on the workplace environment, individual well being, and union solidarity. Such actions are not only destructive, they can be illegal.

Harassment and discrimination can take many forms and may be verbal, physical or psychological. They can involve a wide range of actions including comments, gestures or looks, pictures, messages, touching, or more aggressive actions. These acts may be indirect or overt; they may be isolated or repeated.

However, acts of harassment and discrimination are always degrading, unwelcome and coercive: They are always unacceptable.

As members of OSSTF, our goal must be to protect human rights, to promote mutual respect and trust, and to foster inclusion. We cannot condone or tolerate intimidating, demeaning, hostile and aggressive behaviour against another member. We cannot condone these Behaviours when we witness them. As OSSTF members, we must speak out against this conduct and stand together to protect human rights. We must take action.

OSSTF is committed to strengthening member solidarity, and in addition to representing members' interests in the workplace, takes seriously its *own* responsibility *to ensure that members are treated with respect and dignity* at all sponsored OSSTF events and meetings.

Any member who feels targeted by harassment or discrimination must be able to speak up and know their concerns will be responded to immediately in accordance with District 9 OSSTF Policies and Bylaws and the Resolution and Complaint Procedure, as approved by the District Annual Meeting 2009.

BYLAW 10 ANTI-HARASSMENT AND ANTI-BULLYING RESOLUTION AND COMPLAINT PROCEDURE

- 10.1 A member who believes he/she has been the target of harassment or discrimination at an OSSTF meeting or event is encouraged to take immediate action to ensure this behaviour is stopped.
 - 10.1.1 As a first step, the member should make it clear to the perpetrator that he/she finds the behaviour offensive, and ask that it be stopped. This can be done personally, either in writing or verbally, or with the assistance of a third party.
 - 10.1.2 If the behaviour recurs or persists, or if the member does not feel safe in approaching the perpetrator directly, he/she should speak with the designated Anti-Harassment officer(s) and ask her/him to act. If no officer has been designated, the member should speak with the person(s) in charge and ask that someone be appointed.
 - 10.1.3 The designated Anti-Harassment officer(s) will investigate the complaint promptly, including separately interviewing the parties involved and any witnesses, with a view to resolving the

- problem informally. During this process, the designated Anti-Harassment officer(s), with the approval of the District President, may remove the respondent temporarily from the meeting if circumstances warrant.
- 10.1.4 The investigation shall be handled confidentially; however, all complaints will be reported by the designated Anti-Harassment officer(s) to the District President.
- 10.1.5 If the complaint cannot be resolved informally, the complainant will be asked to put the complaint and all relevant information in writing. If the complainant chooses to provide such a written complaint, it will be submitted to the Anti-Harassment Officer for action and it shall be the joint responsibility of the District President and the Anti-Harassment officer in charge to conduct an investigation, determine if the behaviour falls under the definition of harassment, and decide on appropriate remedial action. The parties involved will receive a written report stating the findings and any action taken.
- 10.1.6 Resolutions may include but are not limited to apologies, mediation, warnings, temporarily limiting access, or removal exclusion from the meeting or event. If a decision is made to remove or exclude that member, and where this member is representing a bargaining unit or district, a confidential letter outlining the reasons for this decision will be sent to the president of the appropriate body.
- 10.1.7 The District Executive on the request of a member may review decisions.
- 10.1.8 The District President shall *keep a* confidential file *of* all records *and* reports related to the investigation of written complaints for a period of five years.

Indigenous Acknowledgement Statement (passed at June 8, 2021 District AGM):

We would like to acknowledge the original caretakers of this land: The Three Fires Confederacy (Ojibwe, Odawa, and Potawatomi) and the Huron/Wendat peoples. We recognize the relationship outlined in the First Nations treaties, and acknowledge the contributions made by the Inuit and Metis peoples. We are also mindful of the broken trust and shattered commitments. We need to take responsibility and make things better with our shared past. As a union we will strive to collaborate, acknowledge, and celebrate important indigenous events and initiatives and be there in solidarity as allies whenever we are called to do so.
